## AUDITOR'S CERTIFICATE

This is to certify that I have examined the accounts of the School treasurer for the year ending June 30th, 1938, and find them correctly cast and properly vouched.

Signed :

GEORGE C. EMERSON, Auditor.

## REPORT OF SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens:

The school board's estimate for support of Schools for the coming year is \$2.00 more than last year. Other Statutory Requirements are \$139.32 more than last year, (the estimate for high school tuition being \$150.00 more, with a small decrease in two other items). Thus the total budget shows an increase of \$141.32.

While the Legislature has not yet determined the amount to be appropriated for State Aid to Schools, it seems at this time unlikely that Salisbury will receive any money from the state next year.

This loss in revenue of \$145.94 and a deficiency appropriation of \$100.00 asked for this year in place of \$250.00 raised last year makes the total to be raised this year \$137.26 more than was raised last year.

Both schools are in charge of new teachers this year. Both are trained teachers with considerable experience. With the homes and schools cooperating our children should have a profitable year.

The attendance table shows another improvement in percent of attendance and in tardiness.

Respectfully,

GEORGE W. SUMNER.

February 16, 1939.
